Happy Holidays, Everyone!

Buddy Reading
December 2017

What a busy first term! Our students have been working hard and recently they shared their work with their parents at the *Communicating Student Learning Conferences*. Many have been involved in extracurricular activities such as cross country and volleyball. Their talents have been showcased at our Remembrance Day Assembly, and the upcoming

Light Up the World Concert. Our classes have participated in a wide variety of field trip opportunities. The PAC has been actively supporting the school in countless ways, including hot lunches, popcorn days, Movie Night, and fundraising, just to name a few.

We would like to thank you in advance for your generous contributions of non perishable food items that will be distributed to families in need by Ryan's Rainbow. You are helping to make the holiday season brighter for some Burnaby families who need a helping hand. It reminds them that there are others close by who care.

We would like to take this opportunity to thank all the members of our school community for their support of the school. We wish you all a happy, relaxing holiday with your families, and hope that the coming year is full of love and laughter.
