Parent Input
Form 2024-2025

Please submit to the office via email to
carmela.klarich@burnabyschools.ca
by May 31st

Staff assignments to specific grade levels will not be finalized until enrolment data is confirmed in September. Students are assigned to classes in September based on educational and social criteria.

1. Academic ability
2. Social compatibility
3. Behavioural considerations
4. Learning styles
5. Class group dynamics
6. Special needs considerations
7. Teacher contract guidelines
8. Parent program requests

Information provided on this form is considered as ONE of our criteria. **Please do not request a specific teacher.** Simply outline the program you feel would best meet the academic/social needs of your child(ren). You may wish to include, learning style, curriculum emphasis, parental involvement, social/emotional considerations, etc. If your request fits the criteria for placement, your request will be considered. After thorough attention to all criteria resulting in placement, children, as a rule, are not moved. Exceptions would involve unanticipated dynamics in a classroom, or reorganization due to unexpected enrolment. School initiated moves would be discussed with you prior to reassignment.
